

The Complete Timex TS1000/Sinclair ZX81 ROM Disassembly

Includes PART A: 0000H-0F54H &
PART B: 0F55H-1DFFH

by Dr. Ian Logan
& Dr. Frank O'Hara

ROM DISASSEMBLY

The book for the programmer that needs those answers about the Timex TS1000/Sinclair ZX81 ROM.

Dr. Logan and Dr. Frank O'Hara have examined all routines in the ROM and comment on each one. This book is a must for the experienced programmer.

Part A covers all functions that can be used except for the floating point calculator.

Part B covers all the routines involved in the 'evaluation of an expression' and a detailed explanation of the 'floating-point calculator'.
